CLASSIC COCKTAILS

Rendezvous Manhattan 9.-

*Try this classic as originally concocted by Winston Churchill's mum - with rye (not bourbon!) whiskey shaken with red vermouth and a dash of Angostura bitters.
Garnished with a brandy soaked sour cherry*

Old Fashioned 9.-

Possibly the fierst drink to be called a "cocktail". Try one as it was historically made - with rye whiskey, sugar, and a dash of Angostura bitters. Garnished with fresh orange slice and a brandy soaked cherry.

Vodka 7000' Gimlet 9.-

In 1867 the Gimlet was invented with Caribbean lime juice to help sailors combat scurvy on long voyages at sea. Vodka 7000' flavor complements the lime and is a great way to get your vitamin C!

HIGH WEST TASTING NOTES

HIGH WEST VODKA 7000'

91 Points / Exceptional (Beverage Testing Institute, 9/09)

"Clear. Mild aromas of mashed figs and steel cut oats follow through round, supple entry to a dry-yet-fruity medium-to-full body with touches of raisin and white clay. Finishes with a lively, peppery spice, talc, and oatmeal accented fade. A pleasant, tasty vodka with a very true oat and dried fruit character. Distinctive."

Highly Recommended (Paul Pacult, Spirit Journal, 9/09)

"Entry is smooth, clean, beany, and toasty; midpalate offers plenty of flavors, including toasted bread, charcoal, toffee, and sweet grain. Concludes long, toasted, and sap-like. Very nice."

92 Points / (Anthony Dias Blue, Tasting Panel Magazine 11/08)

"Clean, smooth and silky with notes of vanilla and sweetness; lovely, balanced and very mellow."

HIGH WEST PEACH VODKA 7000'

89 Points / Highly Recommended (Beverage Testing Institute 09/09)

"Pale golden amber color. Vivid dried peach aromas leap from the glass and follow through on a round, supple entry to a very fruity medium-to-full body with a touch of peach pie crust, prairie grass and mineral water. Finishes with a spry, drying, peppery peach yogurt and skin accented fade. Impressive aromas and flavors."

RENDEZVOUS RYE

Awarded:

"Top 10 New Whiskey for 2008" - Malt Advocate Magazine

"Double Gold" - 2008 World Spirits Competition

95 Points (John Hansell, Malt Advocate Magazine, August 2008)

"A blend of two rye whiskeys, a 6 year old made from 95% rye and a 16 year old made from 80% rye. It was very clever to marry the vibrancy of a younger whiskey with the depth of a mature whisky. Thanks to the high rye content, this whisky is very spicy, with cinnamon, crisp mint and fennel. Underlying sweet notes of caramel, molasses, vanilla, macaroon, cocoa, and candied fruit provide a calming effect and enhance the whiskey's complexity. But, in the end, the rye is the victor, emerging with a vengeance and giving the whisky a bold, warming spice finish. Great price, compared to other premium rye whiskeys."

HIGH WEST WHISKEY - BOURYE

90 (John Hansell, Malt Advocate magazine, October 2009)

"This is a blend of straight bourbon and two straight rye whiskeys (thus the name, which combines parts of both). Very interesting indeed. It's clean, crisp and quite vibrant (especially on the nose). The rye note is evident throughout. It starts out more like a high rye-content bourbon, with the molasses, caramel, coconut cream, sweet corn and honey-kissed fruit marrying nicely with the dried spice (vanilla, cinnamon, brisk mint). But then on the latter half of the palate, the rye really kicks in. The whiskey gets bold, the rye becomes intense (almost piercing), with a dried spice finish. This is an adventure!"

ROCKY MOUNTAIN RYE 16 YEAR OLD

86 Points (John Hansell, Malt Advocate magazine, Fall 2009)

"Made from a mash containing a whopping 80 percent rye. The antithesis of the High West 21 year old. This is one bold rye whiskey which gets more powerful as it develops on the palate. It's crisp, clean and very spicy (cool mint, hot cinnamon), with molasses, caramel, honey, golden raisin, kiwi, coconut shavings, and a dusting of cocoa. ...this whiskey throws a mean punch!

Highly Recommended (Paul Pacult, Spirit Journal, September 2009)

"Beautifully copper-like in color; unblemished purity. Smells alluringly of English toffee and baked bread in the opening whiffs; time in the glass affords the bouquet the chance to expand into areas of dried fruit (prunes, black raisins) and mince meat. Entry is deep and bittersweet, with delightful traces of candied nuts and baking spice; mid palate is long, honeyed/sherried, caramel-like, buttery. Dynamic, bittersweet, sap-like, and deep in character."

ROCKY MOUNTAIN RYE 21 YEAR OLD

89 Points (John Hansell, Malt Advocate magazine, Fall 2009)

"Made from a mash containing 53 percent rye and aged in used barrels. The relatively low rye content, along with being aged in used barrels, means this is one soft, smooth rye whiskey. Gentle mint, green tea, cinnamon, nutmeg, roasted nuts, glazed fruit and candied corn, all like on a bed of vanilla and caramel. I could drink this stuff all day long."
