We get asked all the time why "double" and why "!"? "Double," because this whiskey is created from two rye whiskeys (both a minimum of 2 years old and sourced from multiple distilleries; see highwest.com for technical details and sourcing, that's not a secret. However, the proportions are!). The exclamation point is to signify our aim with this whiskey: showcase the beauty that is rye and create the spiciest rye whiskey anywhere. We think we did that. The 2 year old is a beautiful high rye that tastes of cinnamon, clove, anise, eucalyptus buttons, and evergreen "gin-like" flavors. The older rye adds just enough caramel sweetness and woody vanilla richness to calm the "bite" of the younger rye. The resulting combination is bold, balanced, complex and perfect for mixing. We recommend trying a Double Rye!® Manhattan or Old Fashioned - it's also absolutely superb for sipping alone or sharing with other cowboys and good-looking strangers.

High West is Utah's first distillery since 1870 and the world's only ski-in gastro-distillery. If you find yourself in Old Town Park City, please stop (or ski) by to visit us. We'd love to share our passions with you: the American West, our contemporary western victuals, American roots music, and of course, pairing all the above with our greatest passion - superb whiskeys. Better yet, you ought to come out to our new facility on Blue Sky Ranch in Wanship, Utah. It's a celebration of cowboys and the American West and has the distinction of being the world's only distillery-dude-ranch.
