### WESTERN STANDARD SALOON LAGER | 5.2% 8.

A Saloon Style lager that reflects our passion for the brewing history of the west. Western Standard is created as a pre-prohibition style lager, modernized with centennial hops that bring light citrus and floral notes. Aged in our *American Prairie Bourbon* barrels to add notes of vanilla and oak.

## HIGH WEST CUISINE

We think pairing whiskey with food is one of the most under appreciated experiences on the planet. In the Old West, whiskey was a staple at mealtime because of the heavy victuals (pronounced “vittles”) and cold climate. Here at High West, we like whiskey with our food because the interesting range of tastes and aromas found in most whiskeys complement many of the flavors of our Western Mountain Cuisine. Just as you would ask which glass of wine should be paired with your meal, ask your server which whiskey will pair well with your food selection, as they are all quite diverse. We hope you enjoy our culture of whiskey and food.
