DISTILLERY & SALOON
PARK CITY · UTAH

OUR STORY

High West Distillery was founded in 2006 by David and Jane Perkins. Inspired by a trip to a Kentucky distillery, the couple decided to relocate their family to Park City, Utah, and begin a new adventure of whiskey distilling. Since then, our mission has been simple. Make delicious whiskey. Share our love of whiskey. Celebrate our home, the West.

SALOON

The High West Saloon is our original location in downtown Park City and has the distinction of being the world's only ski-in gastro distillery. At the Saloon, enjoy alpine-inspired western fare, taste our award-winning whiskeys and cocktails, and take a tour of one of our production facilities featuring an original 250-gallon copper pot still. Join us on the patio after your winter or summer mountain experience and enjoy *Après* the High West way!

DISTILLERY

Marking the beginning of a new High West era, our distillery opened in 2015. Sitting in the Wasatch-Uinta Mountains on Blue Sky Ranch in the town of Wanship, the Distillery has a 1,600-gallon copper pot still and greatly expands our production capabilities. Visit the Distillery for a tour and stay for a whiskey tasting, western-inspired fare, delicious cocktails, and stunning views of the surrounding valleys. Additional experiences to be enjoyed at the Distillery include our weekly Thursday night Supper Club Dinners and Sunday Brunch.

NELSON COTTAGE

The Nelson Cottage, located just two doors up from the Saloon in downtown Park City, was added to the family in 2014. Originally serving as a private event space, The Nelson Cottage later became the home of High West's unique *prix-fixe* whiskey paired dinners—a culinary and educational experience not to be missed!
